

Alex Rider

Alex Rider a famous spy,
He was always prepared to die,
One frightening day his best friend
Jack,
Got taken in a great big sack,
She got her phone and called
Rider,
With an older day great given,
On a great fabulous mission,
He makes a lovely decision,
With no M16 legal permission,
On the job he remembers the decision,
Finally he finds Jack Starbright,
Then Alex tries to make thing right,
On the way back Alex got shot,
On a very strange and wierd
bingo spot,
Do not become a spy,
If you are not prepared to die.

Impossible Gifts

Impossible gifts for Stasya (my little sister).

These are the gifts,
that I would,
if I could,
give to you.

Dark Matter from another galaxy,
The pot of gold, on the end of a rainbow,
The most delicate snowflake from the wildest
blizzard,
A magical diamond from Bluebeard's lair.

These are the gifts,
that I would,
if I could,
give to you.

A crimson red tear from a phoenix's eye,
The fierce heart of a savage minotaur,
The first bloom of spring,
The last ray of summer.

These are the gifts,
that I would,
if I could,
give to you.

The dream of Martin Luther King Jr.,
A pinch of stardust from VY Canis Majoris,
The eclipse from Hawaii,

The courage of Heracles.

These are the gifts,
that I would,
if I could,
give to you.

A silver feather from Pegasus' wings,
The eighth ring of Saturn,
A treasure chest from the Marianas Trench,
A terrific scale from a dragon's skin-

These are the gifts,
that I would,
if I could,
give to you.

A metallic pearl from a mermaid's purse,
The inspiration of Nelson Mandela,
My unlimited love for you, larger than the ocean,
A ruby from the Bermuda Triangle.

These are the gifts,
that I would,
if I could,
give to you.

The mysterious horn of a unicorn,
A jewel from Tutankhamun's tomb,
A staff from Gandalf,
And the peacock crystals on King Ashoka's throne.
All the things I could think of, I'd give to you.
